Bastion Dry Handi-Wipes White

- ✓ Convenient dry "spill-clean-up" cloth, each sheet is folded and dispensed neatly and packed in a dispenser box with carry handle.
- ✓ Large 500mm x 300mm surface area with a high tear strength and an extremely high absorption rate, for both water and oil based liquids.
- ✓ Made from 45% cellulose and 55% polyester, with low lint properties, ideal for many applications where a fast "spill-clean-up" wipe is required.
